*Remarks*

Reconsideration of remaining claims 128 and 30 is respectfully requested.

In the Office action dated September 20, 2006, the Examiner cited pending dependent claim 29 as containing allowable subject matter, with the remaining claims continuing to be rejected.

In response, applicant has amended independent claim 28 to include the allowable subject matter of claim 29. Thus, applicant believes that amended claim 28, as well as dependent claim 30, are now in condition for allowance.

Upon review of this amendment, applicant respectfully requests the Examiner to find these claims ready to issue. If for some reason or other the Examiner does not agree that the case is ready to issue and that an interview or telephone conversation would further the prosecution, the Examiner is invited to contact applicant's attorney at the telephone number listed below.

Respectfully submitted,

Amit Garg
